Region 4A News

At March's MRC Board Meeting, members were honored to host a visit from Region 4A's new Volunteer Coordinator, **Catherine Corkery**, a Career Executive and U.S. Army Veteran with extensive experience leading diverse teams and managing programs within complex organizations. As she undertakes this new position, Catherine is attempting to get to know the towns within the Region, including the volunteers and their concerns. One of her goals is to develop more partnerships between the towns as an integral part of overall preparedness. To that end, she coordinated a Speaker Series for volunteers. The third and last of this initial series, **Emerging Infectious Diseases**, will be on held on May 14th in Walpole (5:30–8:00 p.m.). The guest speaker is Alfred DeMaria, Jr. M.D. If you would like to attend, please contact Maynard MRC Board member, Mary Ferranti (maryferranti58@gmail.com) for more details.
